Dear Mrs. Tait:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 12-55 and proposed by the Indiana Gaming Commission ("IGC"). The proposed rule amends portions of 68 IAC 1-3 to update definitions and terminology, and clarifies the reports on economic development payments regarding Local Development Agreements. The proposed rule also adds several sections to 68 IAC 1-3 concerning methods of payment, duty to notify the commission regarding changes to bank account information, bylaws, or conflict of interest statements.

The economic impact statement prepared by the IGC indicates that the proposed rule affects 11 of the 13 Indiana casinos, none of which are classified as a small business. The IEDC does not object to the economic impact to small businesses associated with the proposed rule.
